

Serie SMM

Technical drawing of a 100mm wide, 10mm high profile. The drawing includes a side view and two cross-sections. The side view shows a series of rectangular protrusions. The first cross-section shows a single protrusion with a width of (0,51) and a height of (3,56). The second cross-section shows two protrusions with a total width of (6,30) and a height of (3,56). The base thickness is 1,40.
