

## Variable LED-Leiste für Leiterplattenmontage

## Variable LED-Array Ligne de LED miniature

| Technische Daten       | Technical Data        |                  |
|------------------------|-----------------------|------------------|
| Werkstoff, Grundkörper | Housing Material      | PC               |
| Umgebungstemperatur    | Ambient Temperature   | -40°C ... +85 °C |
| Löttemperatur          | Soldering Temperature | 260 °C ≤ 5 sec.  |

| LED-Type | LED-Farbe<br>LED-Colour | Art.-Nr.  |
|----------|-------------------------|-----------|
| A1       | rot/red                 | 2300.2021 |
| A3       | gelb/yellow             | 2300.2071 |
| A4       | grün/green              | 2300.2081 |

| LED-Type | LED-Farbe<br>LED-Colour | Art.-Nr.  |
|----------|-------------------------|-----------|
| A57      | Rot/Red                 | 2300.2024 |
| A58      | Gelb/Yellow             | 2300.2074 |
| A59      | Grün/Green              | 2300.2084 |
